OFFICE OF LEGISLATIVE COUNSEL

Friday - 22 September 1967

1. [redacted] In response to his request, [redacted] met with Mr. Clifford Gaucher, Administrative Assistant to Representative Phil Philbin (D., Mass.), and briefed him on Malaysia and Singapore. Mr. Gaucher will be traveling to Malaysia next month for Mr. Philbin under a political science fellowship grant. Mr. Gaucher was most appreciative and indicated that he was calling on us for additional briefings on other countries he will be visiting, prior to the time of his departure.

[redacted] Attempted to see Representative Melvin Price (D., Ill.) to thank him for his insertion of the 20th Anniversary letter in the RECORD, but he was out of the city for the weekend.

3. [redacted] Met with Mr. Philip Kelleher and provided him with an outline of the proposed Agency bill. The outline summarizes the differences between the proposed bill and H.R. 16306, passed by the House of Representatives last fall. ✓

4. [redacted] Mr. Scott Cohen, Assistant to Senator Charles Percy (R., Ill.), raised a further question concerning activities in Korea. He inquired whether there has been an increase in activities or pressure in Korea. I advised that although the checks [redacted] we had discussed on Thursday afternoon did not appear to indicate any real change, I would relay his question and be back in touch with him.
